**Manager Report**

Jeff:

- Wilkerson's would like to put a crossing in on the Frannie Canal. Proposal reviewed with the Board. Maps, acreage and ownerships reviewed. The Board requested more detail information. Jeff to get with Wilkerson's on. Tabled until next meeting.
- Marchant Coulee Flume footer kicked out. Have a temp fix right now. When water is out, need to replace the legs. All aspects of this discussed with the Board.
- Finished grading and installing air vent on D56-1 chute.
- Working on D23 telemetry and new ramp flume telemetry.
- Fred hauling rip rap.
- Working on this years spray program and new regulations. Discussion.

Susan:

- Big Horn Weed and Pest to start spraying this week for Deaver. Not going to have any members of the crews we have previously had. Two new people. Supposed to have to mules. This means they will not have as good of an idea where to go, but with ATV should be able to see weeds better. Just so Board is aware if we have landowner complaints.
- Have contacted WWDC on new projects. Will have to attend September official meeting for application.

**Public Comment**

Rapps: Reviewed work being done on their place. Leaking headgate, bog area, pay class land, drains discussed and reviewed. All aspects of property discussed. District to research history of property. District to repair / replace leaking headgates when Jeff has time. Board to revisit issue next meeting with history of property.

**New Business**

None.

John motioned to adjourn at 3:26 p.m.
